THE GREATEST OF EXPOSITIONS

1904 Saint Louis World's Fair

Published by Riverside Press, St. Louis, 1975

For seven months in 1904, St. Louis was the greatest city on earth. Millions flocked to the Louisiana Purchase Exposition to behold the inventions of the early 20th century. Many saw electric lights, automobiles, aircraft, and moving pictures for the first time. At a time when few traveled more than a couple miles from home, visitors encountered the people and cultures. St. Louis: The 1904 World's Fair tells the story of the greatest Victorian-era world's fair since the lights of the fair faded over a century ago, while also examining the fair's legacies and legends.
