OUR COMMITMENT TO YOU

Among the uncertainty surrounding school, the Y will continue to provide your child with a safe, enriching environment to encourage them to learn, grow and thrive.

PROGRAM CURRICULUM

We will provide safe, nurturing and academic support for the school's learning setup while giving parents the peace of mind to go back to work. Our primary focus will be dedicated to students' remote learning activities but will also include STEAM experiences, creative arts, physical activity, literacy, and social emotional learning.
