We are a fun and friendly swim team that is perfect for the whole family! Swimmers typically practice 3-5 days a week. This is a competitive swim team that offers swimmers the opportunity for individual growth through a team experience that builds off the YMCA core values and community awareness. Ages are as of December 1, 2018. The team will participate in up to 12 meets during the season against other YMCAs in Southern Illinois and Missouri. Parent participation is required at all home meets and some away meets.

New swimmer evaluations will be Sunday, August 26 at 4:30 pm. All returning Wavemakers are encouraged to come be evaluated on Sunday August 26 at 5:30 pm. Swimmers need to come to evaluations prepared to swim with swimsuits and goggles. Swim caps are optional. Our coaches will ask swimmers to swim freestyle and backstroke. The minimum requirements are to swim one length of the pool freestyle with rotary breathing and one length of the pool backstroke. Depending on the swimmer's knowledge, we may ask them to swim other strokes.

Registration will open August 6 for returning swimmers and August 26 for new swimmers. \$20 off each additional child within the same family. There is a non-refundable processing fee of \$30. There is a \$20 per family concession fee. Swim team members must be YMCA members. Participants age 13 and up can have their own membership but 12 and under must be on a parent's membership. We close the pool when lightning is visible and remain closed until 30 minutes after the last lightning strike. **There will be no team refunds after September 21, 2018.** For more information, contact Head Coach Julie Nogalski at extension 265 or Julie.nogalski@gwrymca.org.
