WHERE ADVENTURE BEGINS

YMCA Camp Lakewood is where kids come to have fun, learn new skills, make new friends, and simply be a kid. Your camper will forget all about television, video games, and smartphones while discovering the ultimate childhood experience, all within a safe and trusted environment.

With a 360-acre lake, over 5,000 acres of forest-covered hills, caves, creeks and more, there are many opportunities for nature exploration and experiential learning at Camp Lakewood. Whether it’s campfires, swimming, archery, climbing towers, zip lines, sports, canoeing, cookouts, fishing, kayaking or a multitude of camp games, every camper delights in waking up with a renewed sense of excitement as to what each day at camp will bring.

The health and safety of each camper is our primary concern. All staff are trained in skills that emphasize safety, youth development, and group dynamics. Each counselor is trained in CPR and First Aid, and lifeguard certified staff closely supervises all water activities. A medical professional is always available in our well-equipped camp infirmary, and our local physician is on call to assist in emergencies.

What does it mean when everyone at Camp Lakewood says it’s “My Camp!”? It means every one of our campers has a home away from home and a special place where they can try new things without judgment. It means every camper has a place where he or she has friends and where they feel safe, happy, and wanted. It means every camper has a camp - their camp - and they know the camper sitting next to them feels the exact same way. It means they are an important part of YMCA Camp Lakewood. So when asked, “Whose camp is this?” we are excited to hear them say “My Camp!”

"MY DAUGHTER ABSOLUTELY LOVED GOING TO CAMP THIS SUMMER! SHE IS VERY EXCITED TO RETURN NEXT YEAR! I WAS VERY PLEASED WITH THE PROCESS WHEN DROPPING HER OFF AND EVERYONE WAS SO AMAZING AND SWEET! THANK YOU SO MUCH FOR TAKING GREAT CARE OF HER THROUGHOUT HER STAY."

- Lindsay, Camper Parent

MINI CAMP (Co-ed, ages 6-8)
4-days/3-nights, *Sessions 5 & 6
Days are filled with games, pony rides, arts and crafts, nature, swimming and more. It is a closely supervised introduction to camping with lots of individual attention for first-time campers. Cabin groups experience some of the camp’s traditional activities together, but kids also have the opportunity to choose a few activities on their own. We maintain a ratio of at least one counselor per four campers. Understanding this is possibly a child’s first time away from home, our caring staff keeps the new camper safe and happy.

MINI RAPTORS CAMP (Co-ed, ages 9-10)
4-days/3-nights, *Session 12
Mini Raptors Camp is a fun, exciting, and safe way to introduce your camper to a residential camp experience. Swimming, archery, arts & crafts, and campfires are just a few of the activities your camper will enjoy. Mini Raptors Camp is designed for the 9-10 year old first-time camper to try Camp Lakewood for just four days. All campers are the same age, so every activity is geared for them.

MINI EAST CAMP (Co-ed, ages 11-12)
4-days/3-nights, *Sessions 5 & 6
Has your camper ever wondered what’s on the other side of the lake or heard the legend of the 97 stairs? Well, now they can find those answers out for themselves as they enjoy a four-day taste of East Camp and all the excitement across the lake. Your camper will stay in our original non-temperature controlled camp cabins located on East Camp Hill, complete with bathhouse, pavilion and the throwback camping we all loved as kids ourselves. This is a great introduction to East Camp for pre-teen campers.

RANCH CAMP (Co-ed, ages 13-16)
4-days/3-nights, *Session 5
Come to the Triangle Y Ranch for four days of intense equestrian training! Ranch campers will form their own special cabin group and spend all day, every day at the ranch working with our highly experienced staff. Participants will augment their riding skills while learning advanced horse care, history, and ranch management.

*Since these 4-day programs are shorter, they have their own unique, individual schedules tailored to the needs of the age group. Campers may experience some of the activities offered for their age group, but not all will be provided. These shorter sessions are perfect for a camper’s first time away.
TRADITIONAL SUMMER CAMP PROGRAMS

MAIN CAMP TRADITIONAL PROGRAM (Co-ed, ages 8-12)  
7-days/6-nights, Sessions 4 and 7-11

Main campers have the opportunity to choose from many great camp activities such as archery, arts & crafts, canoeing, fishing, flag football, floor hockey, outdoor living skills, singing, snorkeling, soccer, yoga, cabin and unit games, and much more. Upon their arrival, each camper is welcomed by our caring staff and introduced to their cabin mates for the week. Campers gather as a cabin each day to play, learn, bond, and make lifelong friendships. Main campers lodge in climate-controlled cabins with indoor plumbing.

EAST CAMP TRADITIONAL PROGRAM (Co-ed, ages 13-16)  
7-days/6-nights, Sessions 4 and 7-11

East campers’ days are filled with lots of camp games and activities, friendship and fun, while under the watchful eye of Camp Lakewood staff. Our goal is to help campers grow into great individuals while learning about the core values of character development. Although this is a time to make an impact on a teenager’s life, it is also a time to relish the joys of being carefree and young. Campers have the opportunity to have as much fun as they possibly can. Your teen will stay in our original non-temperature controlled rustic camp cabins and use a centralized bathhouse with restrooms and showers.

FAR FROM ORDINARY

Our campers take home the ultimate childhood experience: learning a host of skills, discovering new cultures and building relationships that last a lifetime.
"LAKewood has been a second home to me for the past twelve years and it has taught me so many lessons and connected me with so many people. I would never find anywhere else. I am so grateful for this place and the happiness it has brought me over the years. Without Lakewood I wouldn’t be the person I am today."

— Tommy ‘Big Flex’ Taylor from Orlando, FL

EXPERIENCE ADVENTURE!

From learning valuable wilderness skills to zip-lining, campers will experience many adventures. There is always something for every age and ability.
JUNIOR RANGER ADVENTURE PROGRAM (Co-ed, ages 10-12)
7-days/6-nights, Sessions 1, 3, 7 and 10

Junior Rangers is a wonderful program for campers who enjoy spending time outdoors, have experience in camping or are a returning camper who wants to try something new. Junior Rangers learn campfire cooking, shelter building, how to work as a team and many more outdoor living skills. A majority of the Junior Rangers’ time is spent learning their ranger skills away from the everyday life of traditional camp. They do get to experience a tiny bit of camp by choosing and participating in two clinics for the week. Junior Rangers spend each night at camp sleeping under the stars (weather dependent).

RANGER ADVENTURE PROGRAM (Co-ed, ages 13-16)
7-Days/6-nights

The Ranger Program is designed to help campers gain valuable wilderness skills in their own Ranger Village, where they spend each night of camp under the stars (weather dependent). Each camper is taught to cook over an open fire, build shelters, travel as part of a team, and explore the outer limits of camp, trip planning and “Leave No Trace” outdoor ethics, under the guidance of our experienced staff.

Each Rangers program is specialized in a different specific outdoor adventure. We offer three different experiences:

- **Hiking**: Rangers will backpack to explore and see some of the secret gems hidden on the 5,200 acres on which camp resides. **Session 4**
- **Survival Rangers**: Rangers learn the skills of wilderness survival. Along with finding shelter, building fires and cooking their food, these Rangers will be put to the test with different survivor challenges. After a week in Survival Rangers, these campers will conquer many challenges Mother Nature throws their way! **Sessions 7 and 11**
- **High Adventure**: Rangers will spend time climbing or zip lining through a majority of the climbing structures throughout camp, as well as learn proper belay techniques and knot-tying skills. **Session 8**

EQUESTRIAN CAMP (Co-ed, ages 10-12 & 13-16)
7-days/6-nights, Sessions 4, 7 and 10

Equestrian Camp is designed for campers who want to learn more about horsemanship including grooming, saddling and horse handling techniques. Campers participate in trainings to enhance their riding skills and learn trotting, cantering, obstacles and other advanced techniques. Multiple trail rides are held. In addition to learning about horses, campers also get to experience many of the East Camp traditions including camp games, swimming, and building friendships. Accommodations for Equestrian Camp in our original non-temperature controlled rustic camp cabins and a centralized bathhouse with restrooms and showers.

LEADERS IN TRAINING (Co-ed, 2-Week Program)
(Must have completed Sophomore year of high school),
Sessions 7 & 8

The LIT program is a challenging camp experience designed to mold future leaders. LIT program emphasizes the importance of self-reliance and will push campers to evaluate themselves. This is an important step towards becoming a CIT. LITs will work together doing team building and traditional camp activities. This program will help teens to become better team players, problem solvers and leaders.

COUNSELORS IN TRAINING (Co-ed, 4-Week Program)
(Must have completed Junior year of high school),
Sessions 7-10

The CIT program is an intense look into what it takes to become a counselor at YMCA Camp Lakewood. The four-week course begins with two weeks of childcare skills and program training. The third week, the CITs shadow camp counselors in our youngest cabins while still receiving more hands-on training. The final week, the CITs are put to the test by being assigned a cabin where they take on a leadership role. This is a highly rigorous program and all interested campers must complete an application, interview, and reference check to be considered.

**NOTE:** Application, essay and references are due by April 26. Announcements about acceptance to the program will be emailed to parents/guardians by May 1. Completing the CIT program does not guarantee hire as a cabin counselor.
ACTIVITIES

Through activities, we coach sportsmanship, courage, healthy risk-taking, independence, goal setting, flexibility, responsibility, and self-discovery. We aim to nurture the potential of every camper. Some activities are restricted by age, height or swimming ability.

Camp has more activities than a camper can visit in a session. Due to factors such as age, weather, program choices, popularity, and availability, your camper will have an active week, but will not do every activity listed below. There will always be something to look forward to during their next summer at camp.

The activities listed below are examples of usual activities offered each summer. They may change depending upon staff skills and popularity from session to session. Campers will sign up for activities at camp.
