# GROWING GREAT KIDS

Overnight Summer Camp 2021  
YMCA CAMP LAKEWOOD

# WHERE ADVENTURE BEGINS

YMCA Camp Lakewood is where kids come to have fun, learn new skills, make new friends, and simply be a kid. Your camper will forget all about television, video games, and smartphones while discovering the ultimate childhood experience, all within a safe and trusted environment.

With a 360-acre lake, over 5,000 acres of forest-covered hills, caves, creeks and more, there are many opportunities for nature exploration and experiential learning at Camp Lakewood. Whether it's campfires, swimming, archery, climbing towers, zip lines, sports, canoeing, cookouts, fishing, kayaking or a multitude of camp games, every camper delights in waking up with a renewed sense of excitement as to what each day at camp will bring.

Safety was our number one priority in 2020 when we hosted more than 1,000 campers over the summer. We formed units (neighborhoods) of campers that did not mix and instituted additional screening, cleaning, and safety procedures that not only met recommended expectations, but far exceeded them. Our commitment to safety will continue this summer.

The health and safety of each camper is our primary concern. All staff are trained in skills that emphasize safety, youth development, and group dynamics. Each counselor is trained in CPR and First Aid, and lifeguard certified staff closely supervise all water activities. A medical professional is always available in our well-equipped camp infirmary, and our local physician is on call to assist in emergencies.

What does it mean when everyone at Camp Lakewood says it's "My Camp!"? It means every one of our campers has a home away from home and a special place where they can try new things without judgment. It means every camper has a place where he or she has friends and where they feel safe, happy, and wanted. It means every camper has a camp - their camp - and they know the camper sitting next to them feels the exact same way. It means they are an important part of YMCA Camp Lakewood. So when asked, "Whose camp is this?" we are excited to hear them say "My Camp!"

"I'VE BEEN GOING TO CAMP LAKEWOOD FOR ABOUT 10 YEARS, AND EVERY YEAR I GO BACK BECAUSE I GET TO SEE NEW FACES AND PEOPLE WHO WILL BECOME A PART OF MY LIFE FOREVER. I LOVE CAMP LAKEWOOD BECAUSE, NO MATTER THE DIFFERENCES WE ALL COME TOGETHER AS FAMILY AND MAKE AMAZING MEMORIES THAT WILL LAST A LIFE TIME. WITHOUT CAMP I WOULD NOT BE THE PERSON I AM TODAY. I HAVE MY CAMP FAMILY TO THANK FOR THAT."

## 4 DAY PROGRAMS

### **MINI CAMP (Co-ed, ages 6-8)** 4-days/3-nights, \*Session 6

Days are filled with games, pony rides, arts and crafts, nature, swimming and more. It is a closely supervised introduction to camping with lots of individual attention for first-time campers. Cabin groups experience some of the camp's traditional activities together. We maintain a ratio of at least one counselor per four campers. Understanding this is possibly a child's first time away from home, our caring staff keeps the new camper safe and happy.

### **MINI RAPTORS CAMP (Co-ed, ages 9-10)** 4-days/3-nights, \*Session 6

Mini Raptors Camp is a fun, exciting, and safe way to introduce your camper to a residential camp experience. Swimming, archery, arts & crafts, and campfires are just a few of the activities your camper will enjoy. This camp is designed for the 9-10 year old to try Camp Lakewood for just four days. All campers are the same age, so every activity is geared for them.

### **MINI EAST CAMP (Co-ed, ages 11-12)** 4-days/3-nights, \*Session 10

Has your camper ever wondered what's on the other side of the lake or heard the legend of the 97 stairs? Well, now they can find those answers out for themselves as they enjoy a four-day taste of East Camp and all the excitement across the lake. Your camper will stay in our original non-temperature controlled camp cabins located on East Camp Hill, complete with bathhouse, pavilion and the throwback camping we all loved as kids ourselves.

### **NEW! ULTIMATE MINI CAMP (Co-ed, ages 8-16)** 4-days/3-nights, \*Session 12

Want some more camp before school starts? We've created an ultimate mini session to squeeze in the last drops of summer. Days are packed with the traditional camp activities you love such as archery, nature center, the water park, and much more. Campers will still gather as a cabin, with their age group, to play, learn and make the best camp friends. Ages 8-12 will be at Main Camp and ages 13-16 will be at East Camp. So join us for one more game of Gaga, one more friendship bracelet or one more climb up Jungle Joe.

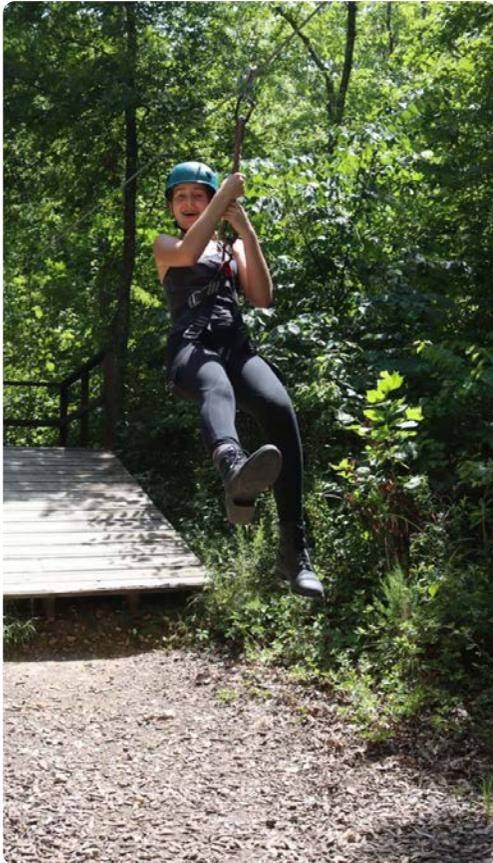

### **RANCH CAMP (Co-ed, ages 13-16)** 4-days/3-nights, \*Sessions 6 & 12

Come to the Triangle Y Ranch for four days of intense equestrian training! Ranch campers will form their own special cabin group and spend all day, every day at the ranch working with our highly experienced staff. Participants will augment riding skills while learning advanced horse care, history, and ranch management.

\*Since these 4-day programs are shorter, they have their own unique, individual schedules tailored to the needs of the age group. Campers may experience some of the activities offered for their age group, but not all will be provided.

## MY CAMP!

Every one of our campers has a home away from home at Camp Lakewood. A place where they have friends, feel safe, happy, and wanted.

# TRADITIONAL

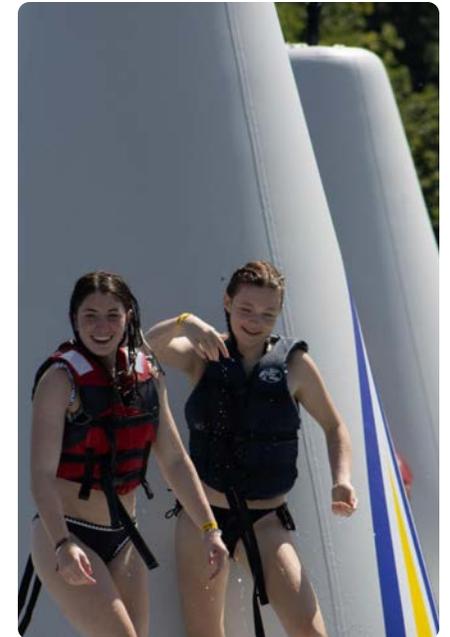

## SUMMER CAMP PROGRAMS

### MAIN CAMP TRADITIONAL PROGRAM (Co-ed, ages 8-12) 7-days/6-nights, Sessions 1-5, 7-9, and 11

Main campers have the opportunity to choose from many great camp activities such as archery, arts & crafts, canoeing, fishing, flag football, floor hockey, outdoor living skills, singing, snorkeling, soccer, yoga, cabin and unit games, and much more. Upon their arrival, each camper is welcomed by our caring staff and introduced to their cabin mates for the week. Campers gather as a cabin each day to play, learn, bond, and make lifelong friendships. Main campers lodge in climate-controlled cabins with indoor plumbing.

### EAST CAMP TRADITIONAL PROGRAM (Co-ed, ages 13-16) 7-days/6-nights, Sessions 1-5, 7-9 and 11

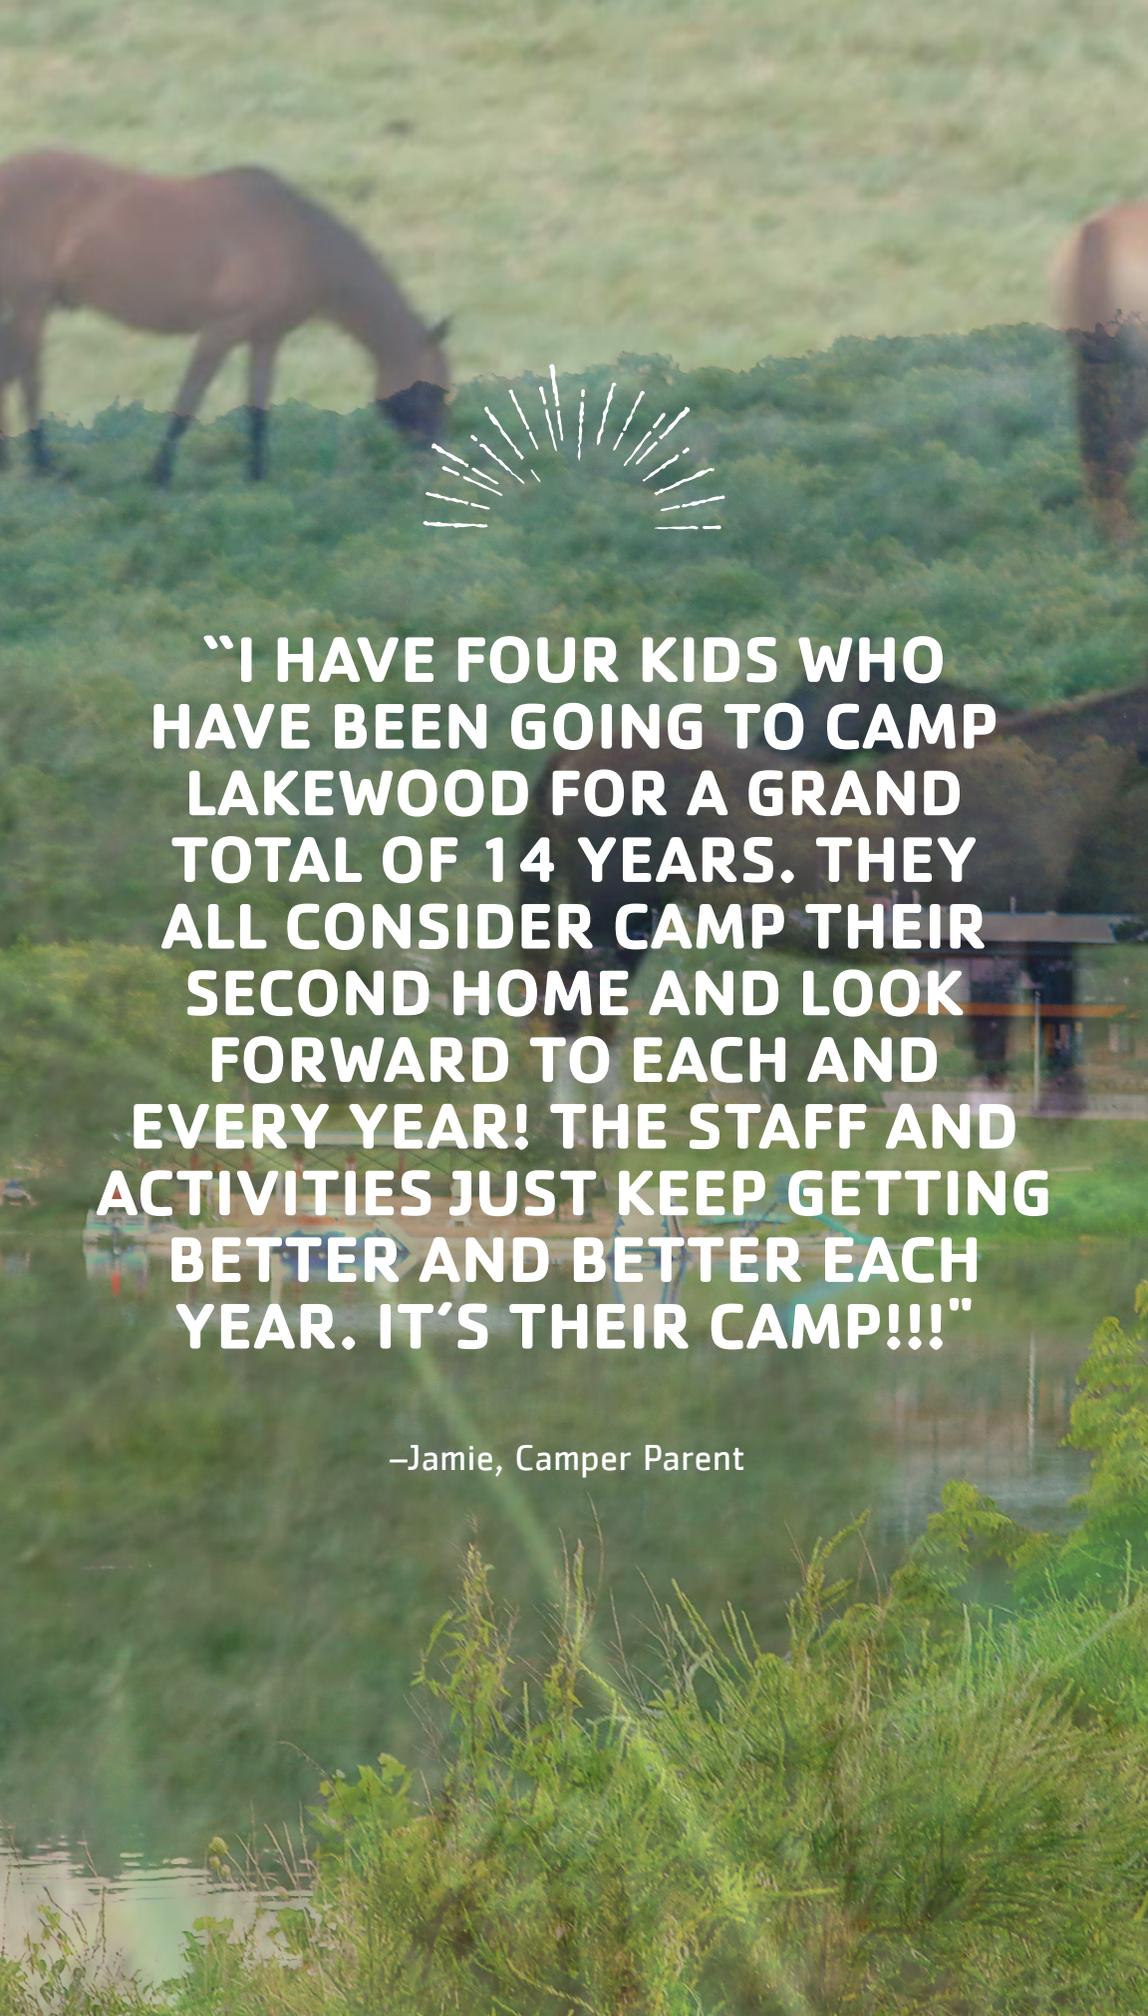

East campers' days are filled with lots of camp games and activities, friendship and fun, while under the watchful eye of Camp Lakewood staff. Our goal is to help campers grow into great individuals while learning about the core values of character development. Although this is a time to make an impact on a teen's life, it is also a time to relish the joys of being carefree and young. Campers have the opportunity to have as much fun as they possibly can. Your teen will stay in our original non-temperature controlled rustic camp cabins and use a centralized bathhouse with restrooms and showers.

## FAR FROM ORDINARY

Our campers take home the ultimate childhood experience: learning a host of skills, discovering new cultures and building relationships that last a lifetime.

### EXPERIENCE ADVENTURE!

From learning valuable wilderness skills to zip-lining, campers will experience many adventures. There is always something for every age and ability.

## **JUNIOR RANGER ADVENTURE PROGRAM (Co-ed, ages 10-12)**

**7-days/6-nights, Sessions 3, 7 & 11**

Junior Rangers is a wonderful program for campers who enjoy spending time outdoors, have experience in camping or are a returning camper who wants to try something new. Junior Rangers learn campfire cooking, shelter building, how to work as a team and many more outdoor living skills. A majority of the Junior Rangers' time is spent learning their ranger skills away from the everyday life of traditional camp. They do get to experience a tiny bit of camp by choosing activities as a group for morning or afternoon. Junior Rangers spend each night at camp sleeping under the stars (weather dependent).

## **RANGER ADVENTURE PROGRAM (Co-ed, ages 13-16)**

**7-Days/6-nights, Sessions 2, 4, 5, 7, 8 & 11**

The Ranger Program is designed to help campers gain valuable wilderness skills in their own Ranger Village, where they spend each night of camp under the stars (weather dependent). Each camper is taught to cook over an open fire, build shelters, travel as part of a team, and explore the outer limits of camp, trip planning and "Leave No Trace" outdoor ethics, under the guidance of our experienced staff.

Each Rangers program is specialized in a different specific outdoor adventure. We offer four different experiences:

### **Hiking – Sessions 4 & 7**

Rangers will backpack to explore and see some of the secret gems hidden on the 5,200 acres on which camp resides.

### **Survival – Sessions 5 & 11**

Rangers will learn the skills of wilderness survival. Along with finding shelter, building fires and cooking their food, these Rangers will be put to the test with different survival challenges. After a week in Survival Rangers, these campers will conquer every challenge Mother Nature throws their way!

### **Canoeing – Session 8**

Rangers will spend the first few days at camp learning different paddling techniques, how to build fires and shelters, and packing the essentials – all to prepare for an amazing three-day and two night canoeing trip.

### **Rustic Engineering – Sessions 2 & 8**

Rangers will construct towers, forts, small engineering projects, table, chairs, etc. They will also learn about and try their hand at blacksmithing.

## **EQUESTRIAN CAMP (Co-ed, ages 10-12 & 13-16)**

**7-days/6-nights, Sessions 3 & 9 (ages 10-12), Session 7 (ages 13-16)**

Our one week Equestrian Camp is designed for campers who want to learn more about horsemanship, including grooming, saddling and horse handling techniques. Campers participate in training to enhance their riding skills and learn trotting, obstacles and other riding techniques. Multiple trail rides are held. In addition to learning about horses, campers also get to experience many of the camp traditions including camp games, swimming and building friendships. Accommodations for Equestrian Camp are in our original, non-temperature controlled rustic camp cabins, and a centralized bathhouse with restrooms and showers.

## **LEADERS IN TRAINING (Co-ed, 2-Week Program)**

**(Must have completed Sophomore year of high school),  
Sessions 3 & 4 and 8 & 9**

The LIT program is a challenging camp experience designed to mold future leaders. LIT program emphasizes the importance of self-reliance and will push campers to evaluate themselves. This is an important step towards becoming a CIT. LITs will work together doing team building and traditional camp activities. This program will help teens to become better team players, problem solvers and leaders.

## **COUNSELORS IN TRAINING (Co-ed, 4-Week Program)**

**(Must have completed Junior year of high school),  
Sessions 2-5**

The CIT program is an intense look into what it takes to become a counselor at YMCA Camp Lakewood. The four-week course begins with two weeks of childcare skills and program training. The third week, the CITs shadow camp counselors in our youngest cabins while still receiving more hands-on training. The final week, the CITs are put to the test by being assigned a cabin where they take on a leadership role. This is a highly rigorous program and all interested campers must complete an application, interview, and reference check to be considered.

**NOTE:** Application, essay and references are due by April 26. Announcements about acceptance to the program will be emailed to parents/guardians by May 1. Completing the CIT program does not guarantee hire as a cabin counselor.

## ACTIVITIES

### 10. Participant agreement/refund policy

I verify to the best of my knowledge that everything on the registration is correct and the child is capable of such an experience. I recognize failure to disclose, falsification or deliberate omission of information will result in termination of services. I agree to pay the balance of the program fees by May 1. The deposit is not refundable or transferable under any circumstances. Fees are not refundable without a doctor’s authorized medical reason (this excludes behavioral or psychological issues). No refunds will be issued unless cancellations are made at least four weeks prior to arrival. I understand that no refunds are given if a child leaves early because of homesickness or for disruptive behavior as determined by the Director.

I grant permission for the camper to participate in all planned program activities including out-of-camp trips by van or bus, hiking, canoeing or horseback riding, understanding that competent leadership is provided. In case of accident or illness, the YMCA is authorized to secure emergency medical treatment. Prudent attempts will be made to contact parents immediately. I understand the related expenses for this medical attention will be (my) the camper’s responsibility. The YMCA is not responsible for lost, stolen or damaged personal articles. I also authorize the YMCA to have and use photographs and videos of the camper named on this registration for promotional purposes and website session photos (if you do not wish your child to be photographed or videoed, please check the box below.) I agree to waive any claims against the YMCA, its staff, and volunteers for injuries or damages that may result from the conduct of other persons including participants in YMCA programs.
