Gateway Region YMCA – Financial Assistance

The Gateway Region YMCA offers quality, affordable programs and services designed to benefit people of all incomes and backgrounds. Thanks to many generous community supporters, our Annual Campaign and the United Way, the YMCA is accessible to everyone in the community through financial assistance. All records are kept confidential. Assistance is available for YMCA programs and or membership. A sliding scale is used to determine how much assistance is awarded.

Eligibility:

1. Membership and program assistance is evaluated on an individual basis depending upon demonstrated financial need. The family income guidelines developed by the Gateway Region YMCA will determine initial eligibility. Subjective factors such as recent loss of employment, healthcare issues or other extenuating circumstances are also considered with substantiating documentation. If desired, a meeting can be scheduled with a member service representative. All discussions and paperwork are kept confidential.
2. In order to be considered eligible for financial assistance, each applicant must complete the attached assistance form and submit proper documentation. Applications which are not complete will delay the process until all necessary paperwork is submitted. Total supporting income and support must be provided. Verification of Household Income Adults in the Household, whether they choose to be on the membership or not. Falsification or non-disclosure of any item will result in denial of assistance or immediate termination of already awarded assistance.
3. Families seeking Financial Assistance for Child Care programs who meet the criteria to be eligible for Child Care State assistance in either Illinois or Missouri will be asked to apply with the State prior to approval for YMCA scholarship. If denied services from the State, your family must present a denial letter from either from Illinois Department of Human Services or the Missouri Department of Social Services with completed scholarship application and current tax return statement. The YMCA will calculate my eligibility through the resources that are available in both IL and MO.
IL Child Care Eligibility Calculator: <http://www.dhs.state.il.us/applications/ChildCareEligCalc/eligcalc.html>
MO Child Care Eligibility Calculator: <https://dss.mo.gov/fsd/child-care-apply.htm>
4. The support for financial assistance comes from contributions through our Annual Campaign. The awards far surpass the funds raised and in an effort to support as many requests as possible, each recipient is asked to pay some portion of the membership or program/activity fees. These payments are in accordance with our guidelines.
5. Eligibility for financial assistance must be renewed on an annual basis with updated information and supporting documentation. Should your financial situation change during the course of your assistance, one may request a review by writing a letter explaining the situation and providing documentation to verify the change in income or circumstances.

Our Mission: To put Christian principles into practice through programs that build healthy spirit, mind and body for all.
