This corporate run brings together local businesses and their employees to celebrate our community! Runners and walkers of all levels are encouraged to participate with their company team. Businesses big and small can register their employees to run as a team but must have a minimum of four participants to be eligible for team scoring (two men and two women). Participants who are not competing on a company team can register to run individually. Runners in the 6.36K will be timed through 60 minutes. 1-Mile walkers will not be timed.
