EMERGENCY CARE AND TRANSPORTATION

alexus.knatat@gwrymca.org.

I understand that every effort will be made to contact me in the case of illness or accident to my child. At that time, I will make arrangements for medical care of my child with the physician or hospital of my choice. I understand 911 may be called and my child may be transferred by ambulance to the nearest hospital if I cannot be reached.

Medication: Only prescription medication (no over the counter medication) will be administered. If your child will need to take medication during program hours, a Medication Authorization form must be completed and returned to the staff along with the medication. Medication must be in the original container and labeled with your child's name, instructions (including times and amounts for dosage) and the physicians name. Forms can be found on the branch website or contact Alexus Knatat @ 61-876-7200 or

If, at any time, due to such circumstances as an injury or sudden illness or other unforeseen emergency, and medical treatment is necessary, I authorize the Gateway Region YMCA to take whatever emergency measures they deem necessary for the protection of my child while in their care.

I understand that a natural or deliberate disaster or emergency may result in the need for my child to be transported to another location for safety.

The YMCA does not provide accident insurance for your child. This will be the responsibility of the parent.
